

HARDCAP™ A1+ / AEROLITE®

TECHNICAL SPECIFICATION

INDUSTRY LEADING BUMP CAP TECHNOLOGY OFFERING HIGH LEVELS OF PROTECTION & COMFORT ADAPTED SPECIFICALLY FOR WORK AREAS THAT REQUIRE A LITTLE BIT MORE THAN THE USUAL STANDARD HARDCAP™

HEAD PROTECTION

HARDCAP™ A1+ CLEAN CAP

Specifically for the food industry with **STAIN RESIST** and **SOFNET** hair net.

SOFNET is a specially designed hair net for the food industry with a metal loop to avoid accidental processing and from a soft material to increase comfort.

STAIN RESIST is a waterproof wipeable material to avoid contamination and allow easy cleaning. Removable cover can be wiped clean with a damp cloth and is also hand washable

Available as white Micro cap complete with hairnet

HARDCAP™ A1+ WINTER CAP

100% cotton, features a fold down flap that covers the ears and neck for added warmth. The cap can be brushed cleaned.

Available as Black Short Peak cap

HARDCAP™ A1+ FLAME RETARDANT

The sleek polyester cover has been tested at 180°C and has been exposed to an open flame according to the standards of EN11612 and EN14116

Available as Navy Short Peak cap. (Micro=BT0)

ALL ROUND PROTECTION: AEROLITE® LINER

The protective liner is removable, so the outer cap is fully washable for good hygiene and extended life cycle

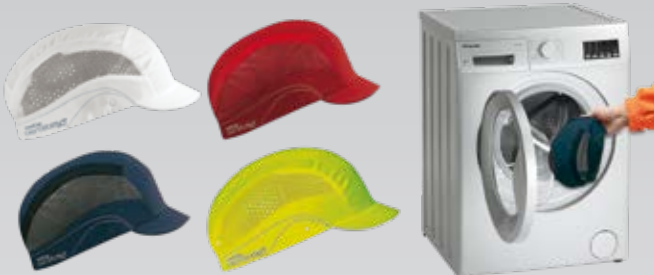

ALL ROUND PROTECTION: HARDCAP™ A1+ LINER

The protective liner is removable, so the outer cap is fully washable for good hygiene and extended life cycle

HARDCAP™ AEROLITE® 60°

A non reflective standard Aerolite® cover that can be washed at 60°

Available as Micro White / Red / HV Yellow and Navy

HARDCAP™ AEROLITE® BADGE HOLDER

All the benefits of the standard HARDCAP AEROLITE® with an interchangeable identification badge pocket. Easily fits a traditional 85 x 55 cm business card that can be inserted or removed with ease. Available as micro peak navy

HardCap aerolite® 60°

HardCap A1+
ALL ROUND PROTECTION

HARDCAP™ A1+ / AEROLITE®

TECHNICAL SPECIFICATION

INDUSTRY LEADING BUMP CAP TECHNOLOGY OFFERING HIGH LEVELS OF PROTECTION & COMFORT ADAPTED SPECIFICALLY FOR WORK AREAS THAT REQUIRE A LITTLE BIT MORE THAN THE USUAL STANDARD HARDCAP™

HEAD PROTECTION

LIMITATIONS OF USE

- The cap is not designed to protect the wearer from falling masses
- Protection will only be offered if the cap is fitted correctly
- Any cap subjected to severe impact should be replaced immediately
- Do not apply paint, solvents, adhesives or self-adhesive labels, except in accordance with instructions from the manufacturer
- The attention of users is also drawn to the dangers of modifying or removing any of the original component parts, other than as recommended by the manufacturer
- The liner and hair net, when in contact with the skin may cause allergic reactions to susceptible individuals
- If this occurs leave the hazard area, remove the cap and seek medical advice
