

# SHOWA 341

Engineered with advanced grip technology, SHOWA's revolutionary 341 provides the perfect combination of dexterity, tactility and comfort for a range of applications.

## FORDELE

- Technology improvement on existing Grip series coating
- Breathable back hand to reduce perspiration
- Ultimate dexterity and tactility
- High level of flexibility and softness due to advanced grip technology
- Ergonomic design hand mould that replicates the natural curvature of human hand and so reduces hand fatigue
- No irritation by seams in contact with the skin

## FUNKTIONER

- Engineered waterproof latex coated palm
- Breathable 13 gauge liner
- Grip finish to palm and fingers
- Anatomical hand shape design
- Seamless knit 3 colours available: grey, purple, red
